PRESENTATION

Located west of the hamlet of Morgon, in the southernmost part of the appellation, the vines are planted on southeast-facing gentle slopes, at altitudes of between 350 and 400 metres.

The pebbly soil that has been heavily eroded lends our Morgon "Les Charmes" fleshy fruit and remarkable finesse.

Aging: 50% in stainless steel vats, 50% in 350-liter barrels for 8 to 9 months
