VARIETAL Pinot Noir

Predominantly limestone-based reddish brown soil

PRESENTATION

Beaune is the historic capital of Burgundy wines and its town centre has been the site of the headquarters of the House of Albert Bichot for over a century now.

In addition to capturing the attention of the entire world on the 3rd Sunday of every November when it hosts the legendary Hospices de Beaune wine auction, it is also one of the largest appellations in surface area in the Côte de Beaune.

Though less well known than its illustrious neighbours, this appellation nevertheless offers many terroirs of great interest for their balance and diversity.

WINEMAKING/AGEING

Handpiking, sorting of the grapes at the winery.

Fermenting maceration in thermoregulated wooden vats for 18 to 21 days.
