### PRESENTATION

Volnay is one of the renowned village appellations in the Côte de Beaune, located just south of Pommard. It is reputed for its supple, elegant wines that are often considered "feminine" as opposed to its neighbour Pommard, which has a reputation for its powerful, structured, "masculine" wines.

Contrary to what one might think, "Les Brouillards" (fog) has nothing to do with the weather. The name comes from the Old French word "breuil", which referred to a place in which thickets or young forest habitats once abounded.

### WINEMAKING/AGEING

Handpicking, sorting of the grapes at the winery.

Fermenting maceration in thermoregulated wooden vats for 18 to 21 days.

Aging in oak barrels (25 to 35% new barrels) for 14 to 16 months.

### TASTING

Deep nose revealing scents of red fruit (cherry, raspberry...) enhanced by notes of mild spices and a touch of liquorice. Soft, silky and elegant on the palate, this charming wine boasts great aromatic complexity that lends it lovely balance.

Aging potential: 5 to 7 years and more.

### FOOD PAIRINGS
