

Founded in 1831, Albert Bichot is an independent winery managed by the 6th generation of the family. Its Domaines extend all along Burgundy on more than 100 hectares (250 acres): Domaine Long-Depaquit (160 acres) in Chablis, Domaine du Clos Frantin (18.5 acres) and Château-Gris (8.6 acres) in Côte de Nuits, Domaine du Pavillon (42 acres) in Côte de Beaune, Domaine Adélie (17.5 acres) in Mercurey and Domaine de Rochegrès (13 acres) in Moulin-à-Vent. The vineyards are grown following organic or sustainable practices.

In each winery in Chablis, Nuits-Saint-Georges, Beaune, Pommard and Moulin-à-Vent, a dedicated team intervenes as little as possible during the vinification and ageing process and tailors wines with a perfect sense of terroir. The same care is taken to the grapes purchased from their partner growers as to the grapes from their own estates.
