PRESENTATION

Our "Mr. NO" cuvée is crafted from grapes produced near Quincié, where the slopes are steep, located immediately to the west of the Brouilly and Côtes de Brouilly Crus and which are renowned for their dense, classy Beaujolais Villages wines. Grapes from the area of Blacé, which links Brouilly with the Beaujolais Villages sector to the south, round out the blend to lend freshness, intense fruit and floral notes. As its name suggests, "Mr. NO" is vinified without any added sulfites or yeasts and is neither fined nor filtered. Therefore, a slight deposit at the bottom of the bottle is possible.

WINEMAKING/AGEING

Creation of a fermenting starter (using indigenous yeasts).
Fermenting maceration in thermoregulated open vats for about 10 days.
Aging in stainless steel vats for 6 to 7 months.
